Dear Prospective Sts. Leo-Seton Catholic School Parents,

We are blessed that you have shown an interest in becoming part of the SLS Family. You have chosen a family-oriented school that is SACS accredited and state approved as a possible school for you and your child. We encourage you to view and witness the many diverse programs and opportunities that SLS has to offer children of all ages during a school tour. If you were unable to attend our Open House or have not yet had the opportunity to be guided through our campus, please call our Development Office at (337) 314-0808 to set up a private tour.

To apply for enrollment into Sts. Leo-Seton Catholic School, please complete the application and church parish registration forms. Please note that the church parish registration form needs to be signed by your pastor. If your child(ren) is applying for kindergarten through eighth grade, you will also need to provide a copy of your child(ren)'s current report card, the most recent standardized test scores, birth certificate, and an up-to-date discipline report. Once these documents are reviewed by the administration, prospective students will be interviewed for acceptance.

All students accepted for the 2012-2013 school year will be notified by phone on February 3, 2012 to set up an appointment to complete registration. If a seat is not available for your child(ren), we will inquire whether you wish to be placed on our waiting list. We urge you not to be discouraged if you are placed on a waiting list as many families on past waiting lists have been accepted. All students placed on a waiting list are prioritized based on our admittance policy and will thereafter, be admitted on a first come, first serve basis. If you have any questions, please do not hesitate to contact the school at (337) 234-5510.

Thank you for considering becoming a member of the SLS Family.
