

Dear Prospective Sts. Leo-Seton Catholic Parents:

We at Sts. Leo-Seton Catholic School thank you for the interest you have shown in our school. Let me assure you that you have selected a wonderful, family-oriented school as a possible home for your child. Enclosed you will find tuition rates, an application and a church parish registration form. If you were not able to attend our recent Open House, please call our Development Office at (337) 234-5510 ext. 107, to set up a private tour.

To apply for enrollment, complete the application form and the church parish registration form (please note that this form must be signed by your pastor). If your child(ren) is applying for grades 1-8, a current report card, the most recent standardized test scores and an up-to-date discipline report will also be needed. The principal interviews all prospective students for grades 1-8 along with reviewing their records before they are accepted. Don't delay in returning your completed application.

If seats are not available, we will be inquiring regarding your wishes to be placed on our waiting list. Keep in mind that most families on past waiting lists were accepted. Do not get discouraged if you are not accepted at first. If you are placed on our waiting list, we will contact you as soon as an opening is available in the grade(s) you are applying for, based on our admittance priorities, to schedule a registration appointment. Those students on the waiting list will be admitted according to our policy on a first come, first service basis. If you have any questions left unanswered, please do not hesitate to contact us at (337) 234-5510.

Sincerely,

Ebrar Reaux
Principal
